Dear Mr. PRESIDENT,

I am a 13 year old boy and I watched the two part series the past two nights on NBC about Raoul Wallenberg.

Along with my family, I am concerned about what happened to Mr. Wallenberg.

He was a very courageous man and I FEEL that our country should lead an investigation as to what happened to him.

When you meet with Premier Gorbachev

I wish you should bring the subject up please.

As one of your followers I would like to be one of the first to request that every effort be made to find Mr. Wallenberg.

Your friend,
